gripMate

Universal Secure Finger Grip and Kick-stand for Smartphones

Universal

Kick-Stand

Secure Grip

Compact and Foldable

gripMate is a uniquely designed universal secure grip stand for smartphones. This compact and multifunctional device could be easily attached to the smartphone back shell and start exploring the variety of standing positions for your mobile usage. Slide your fingers in between the slots and securely hold your device whilst typing, playing games or just browsing on the touchscreen. Coming in multi-color collection, gripMate will enhance your smartphone enjoyment with added functionality.
